CHILD FIND

It is the responsibility of the Southwick Tolland Granville Regional School District (STGRSD) to identify any child who may have a disability, who is either a resident of STGRSD or who attends a private school within the geographic boundaries of STGRSD, even if the student is not a resident of STGRSD. **This also includes students who are homeschooled.**

STGRSD is also responsible for the evaluation of those students to determine if they are eligible for special education or related services under Federal law, IDEA (Individuals with Disabilities Education Act) or, Massachusetts State Law, 603 CMR 28 (Massachusetts Special Education Regulations).

STGRSD is also committed to identifying children before their third birthday in order to provide early intervention services for three and four year-olds with disabilities. If you have questions or concerns regarding your child's development and would like to have him/her screened, please call Robin Gunn, Director of Special Education, at (413) 569-0111 to set up an appointment.

If you suspect that your child may need an evaluation to determine eligibility for special education services, you may request an evaluation, at no cost, through the STGRSD Special Education Office. Please contact:
